REPORT OF FINANCE COMMITTEE

Groveton, N. H., February 24, 1943

Mr. William Lehnert, Moderator,
Northumberland, N. H.

Dear Mr. Lehnert:

The town report shows the following debt changes:

Overall debt reduction	\$46,350.00
Refunding 3% bonds reduced	10,000.00
Lincoln R. Young notes	25,000.00
School Debt	2,000.00
Amount owed School District	11,500.00
	<hr/> 48,500.00
Increases	
Trustees of Trust Funds	2,000.00
Trustees of Trust Funds	150.00
	<hr/> 2,150.00
Total net reduction	46,350.00
Total interest-bearing debt 1/31/42	149,000.00
Total interest-bearing debt 1/31/43	105,000.00
Reduction of interest-bearing debt	35,000.00

The reduction in interest bearing debt is something all are interested in. A continuation of last year's good work for three years will result in the wiping out of this item. The work of the Selectmen in debt reduction the past year is highly commendable.

Water Collections

Over \$11,000.00 in water rents were collected. This item is down to \$4,979.28, showing a reduction of \$2,127.16 from the figure of \$7,106.44 at the end of the previous year. This item will eventually show only a nominal amount. To get a better picture of the improved situation in this department attention is called to uncollected balance of \$14,699.92 shown in 1940 report.

Old Unpaid Taxes

Attention is again called to unpaid taxes.

Under assets an item of \$3,538.24 is shown as taxes not collected previous years. It is the opinion of this committee, a portion of this item is collectable. It would seem that little or no effort was being made to collect by former tax collectors.

All items not collectable should be removed from the list of assets without any more delay and the balance collected promptly.

Appropriations and Taxes

We feel that appropriations for 1943 should be held at a low level and that taxes be reduced. These items showed an increase in 1942 and this fact was commented on unfavorably by State Officials. The trend over the state was opposite to our experience.

A REPORT ON CUTTING OPERATIONS ON TOWN LOT

To the Selectmen of Northumberland, N. H.:

Arrangements were made by the selectmen for the sale of stumpage on the Northumberland town lot, a part of lot 119 to the Forest Products Association, Inc., in December, 1942. Actual operations started in January, 1943, with Mr. B. M. Merrill in charge. Labor has been hard to get and snow conditions difficult for cutting. However, with two cutters working part time, approximately 40 cords of first class fuel wood and 35 hundred feet, board measure, of hardwood logs have been cut to date. Operations are expected to continue at a more rapid pace as cutting conditions become more favorable in the spring.

The cutting operations are being done on a selective basis with an idea of bringing the area into continuous production. The trees are marked for cutting by a trained Norris-Doxey Farm Forester, under the direction of Mr. C. S. Herr, Assistant Extension Forester, and include only merchantable trees and trees that are defective or crowded. While the logs are being marketed through the Forest Products Association, Inc., with office in town, the fuel wood is a result of more complete utilization of tapwood and poor grade material, which is a very desirable bi-product at present wartime conditions.

The cut over area will support a good young stand of hardwood after the current cutting has been completed and will be ready to cut again in 10 to 15 years, bringing a return very favorable to the present operations.

The area is a fine example of what can be done under average conditions by the application of good forest practices. It is suggested that the area be open for the public as a demonstration area.

Respectfully submitted,
 ROBERT H. K. PHIPPS,
 Town Forester.

Total not raised by taxation,	\$8,319.69	\$8,054.33	\$7,587.00
Deduct estimated income not raised by taxation from the total payments to get the amount to be raised by taxation.			
Amount needed or voted,	\$41,500.00	\$44,700.00	\$44,700.00
A careful estimate has been made for the above years, but it is impossible to tell just what may come up to create an unexpected expense. There has been a decrease in the amount of State Aid and the amount received for high school tuition. Teachers' salaries have been increased in accordance with the adopted schedule and last year a 5% bonus of total salaries was given to the teachers divided equally. There was also an increase in salary of janitors. In spite of the changes, we are asking for the same amount as last year for the expenses of 1943-1944. We shall try to keep within our figures.

SUPERINTENDENT'S REPORT

To the Members of the Northumberland School Board:

I hereby submit for your consideration, my ninth annual report of the Northumberland schools.

The school census taken last September, 1942, showed 534 people in town between the ages of 5 and 16. Of this number, 28 between 5 and 8 and 6 between 14 and 16 or a total of 34 were reported not in school. Those between 14 and 16 had completed the eighth grade. There were 572 pupils registered in the schools on September 30, 1942. Of this number 65 were over 16 years old. The whole number of resident pupils in school between the ages of 5 and 16 was 500. There were 7 pupils registered from outside of the district whose ages were between 5 and 16. Three handicapped children were reported under 21 years.

There were no changes in the teaching force of the elementary school building. From the high school building, we lost John G. Barry who failed to return when the schools opened in September, Hollis Sawyer left in June to do defense work, D. Chandler Matthews was drafted for the army in August and Thelma K. Bond left at Christmas time to take a similar position in Portsmouth. The positions have been filled by the election of Sophie Byk, Ellen B. Corey, Elizabeth N. Walker and Priscilla B. Evans.

Not being able to get a teacher-coach this year, the physical training is being carried on by Mr. Cascadden working with the boys and Miss Corey with the girls. Miss Willard has been helping with the basketball.

The transportation routes this year are as follows: Howard Potter, 41 pupils from Lost Nation road; Clayton Potter, 57 pupils with two trips from Northumberland road; Burward McLaughlin, 43 pupils from the Stratford line and the Craggy road; Lawrence Gonyer, 10 pupils to meet the Howard Potter bus; and Mrs. Veora Wheelock, 6 pupils from the Stark road. Nineteen high school pupils and 147 elementary pupils or a total of 166 are being transported at a cost of \$4,399.20.

There are registered in the elementary school two non-resident pupils—Stratford one and Stark one. In the high school are registered 22 non-resident pupils as follows: Guildhall, 6; Maidstone, 3; and Stark, 13.

The following data were gleaned from last year's registers: Unrepeated registration was 622—eleven more than last year; per cent of attendance 95.6—1.26 less than the previous year; 6 school board meetings were held; 975 tardy marks were recorded (far too many); 12 visits were made by school board members; 348 visits by citizens; and the superintendent was credited with 1,057 visits.

Sixty-nine pupils had a perfect record, that is, they were not absent or tardy during the year—elementary building, 24; and high school building, 45; and their names are as follows: Irene Meunier, Joyce Knapp, Marjorie Curtis, Vivian Cantin, Beverly Rolfe, Verna Donovan, Dorothy Dunham, Lorraine Baron, Priscilla Shedd, Lawrence Sweeney, Kenneth Cantin, Mary Grout, Elizabeth Higgins, Lucille Roberge, Harold Rolfe, Janette Rowell, Florence Taylor, Phyllis Turner, Lorraine Shedd, Marcia Perham, Ernest de Le Bruere, Harry Crawford, Rena LeClaire, William Mathurin, Rachel McFarland, John Ryan, Lloyd Wheelock, Josephine Forrest, Lorraine King, Donald Malefant, Edna Mayberry, Marilyn Mead, Mary Perham, Richard Perham, Elmer Sweeney, Frank Styles, Louis de La Bruere, Erma Hunter, Shirley Maguire, Barbara Mead, Annie Portigue, Willard Turner, Homer Chase, Armand

de La Bruere, Iva Hickey, Patricia Mayberry, Homer Nute, Leo Rich, Gerard Roberge, Neil Woodward, Norma Wheelock, Leona Walling, Raymond Baird, Muriel Fournier, Florent Gagnon, Leon Lakin, Robert Paradis, Lottice Parker, Durwood Roby, Charlotte Sheltry, Lorraine Tippet, Dana Moore, Paul Lingsweiler, Jean Christopher, Lorenzo Cloutier, Anita Gilman, Lynn Rice, Ronald Shedd, and Irene Paradis.

In addition to the minor repairs, some rooms in both buildings were redecorated during the summer vacation. Quite extensive repairs were made on the residence of the headmaster.

Mr. Omand, head of the Manual Arts department, has devoted quite a good deal of his class time in making model airplanes for the government. Besides the work on the planes some of the classes have made some very useful articles. Mr. Omand has had charge of the skating rink which has been enjoyed by many people.

Miss Jackson is doing the same efficient work with her classes in Home Economics. The home visits have been somewhat curtailed this year on account of transportation.

The yearly health check-up was made by Dr. W. R. Schillhammer, assisted by Florence Wheeler, R. N. Miss Wheeler makes daily visits to the elementary school building. She has held twelve dental clinics from November, 1941, to June, 1942. Sixty-three pupils were treated and 180 corrections made. Three T. and A. clinics were held in the Lancaster Hospital during July and August, 1941—twenty cases treated.

Penny milk is being served to 350 school children daily—68 in the high school building and 282 in the elementary building.

Physical Fitness program has been introduced into the high school under the guidance of Roy G. Cascadden and Ellen B. Corey. Miss Corey has charge of the girl divisions. This course was urged by the Federal Government through the State Board of Education.

Remedial work is carried on in all grades where needed with an effort to raise the standard of the work in the schools.

Respectfully submitted,

ALONZO J. KNOWLTON.
